October 11, 2017
Every Child's Potential a Reality**

The meeting was called to order at 9:24am by Lili Ball, PTA President. Welcomed and thanked everyone for attending.

Principal's Report – Felecia Locklear

- Brooks Foundation funded 3 part-time positions: 2 half-time teaching assistants, one for 4th grade and one for 5th grade, due to the large class sizes this year; Elizabeth Croom was hired for Literacy and K-2 support.
- F-day is new this year. Whole grade will be with MIT specialists, while grade teachers will be planning. This will give each teacher about 1 planning day/quarter. Anticipate lots of collaboration and creativity, upping our project-base learning.
- WRAL filming at Brooks today regarding the lack of full-time nurse staff despite the health needs of students.
- Still settling in to new school building. Need more chairs and tables. Looking forward to Brooks looking like Brooks.
- Due to current state legislation, Brooks K-3 averages 19 students/class. Next year, caps will be per class: 18 in Kindergarten, 16 in 1st, 17 in 2nd and 17 in 3rd, no cap for 4th and 5th. Therefore will need 4 more classrooms. Discussion about current and pending state legislation impact on students, Brooks and Wake county.
